

The Boeing Company
Master of Science in Systems Architecting and Engineering
Study Plan

Name: _____ Student ID #: _____

Term Admitted: _____

A minimum of 27 units of acceptable graduate course work to fulfill the following requirements:

- At least 15 units in Core Courses (5 courses in Systems and 2 courses in Management) and
- at least 6 units in the Technical Specialization Area

The following restrictions apply:

- A maximum of 6 units at the 400-level may apply towards the degree.
- No more than 6 units of Special Topics courses (499 or 599) may be applied.
- Research, any 590 course, is restricted to 3 units.
- A cumulative 3.0 GPA must be achieved on the 30 units.
- C is the minimum passing grade for any course.
- Courses older than seven years may not be counted toward graduation.
- A maximum of 4 units may be transferred to the degree with advisor approval.
